ADD POST

Add Post

- There are several pages, select a page to add content to that page

A screenshot of a web form titled 'Add Post'. The form has a white background and is set against an orange gradient background. The first field is a dropdown menu labeled 'Page Title *' with a blue border. The dropdown is open, showing a list of pages: Home, Services, Events, About Us, FAQ, Donate, Contact Us, and Signup. Below the dropdown, the label 'Post Status *' is partially visible.

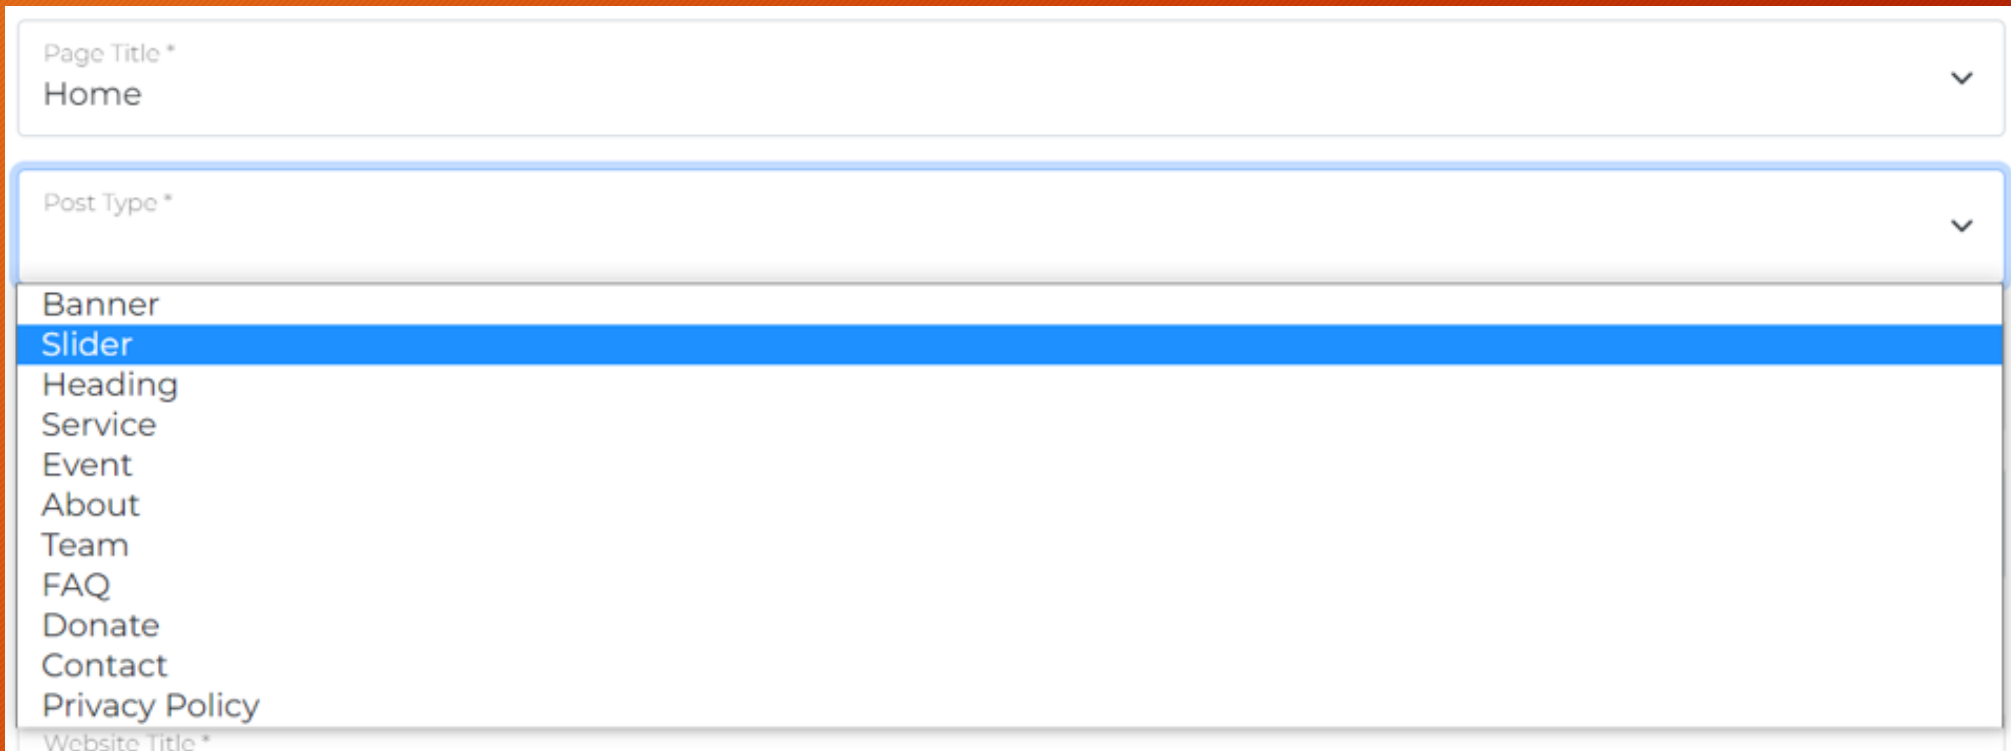

Page Title *

- Home
- Services
- Events
- About Us
- FAQ
- Donate
- Contact Us
- Signup

Post Status *

Add Post

- There are several types of posts, select a post type to add content

The image shows a web form with the following elements:

- Page Title ***: A dropdown menu with the value "Home" selected.
- Post Type ***: A dropdown menu that is open, displaying a list of options. The "Slider" option is highlighted with a blue background.
- Website Title ***: A label at the bottom of the form, partially visible.

The list of options for the "Post Type" dropdown is as follows:

Post Type
Banner
Slider
Heading
Service
Event
About
Team
FAQ
Donate
Contact
Privacy Policy

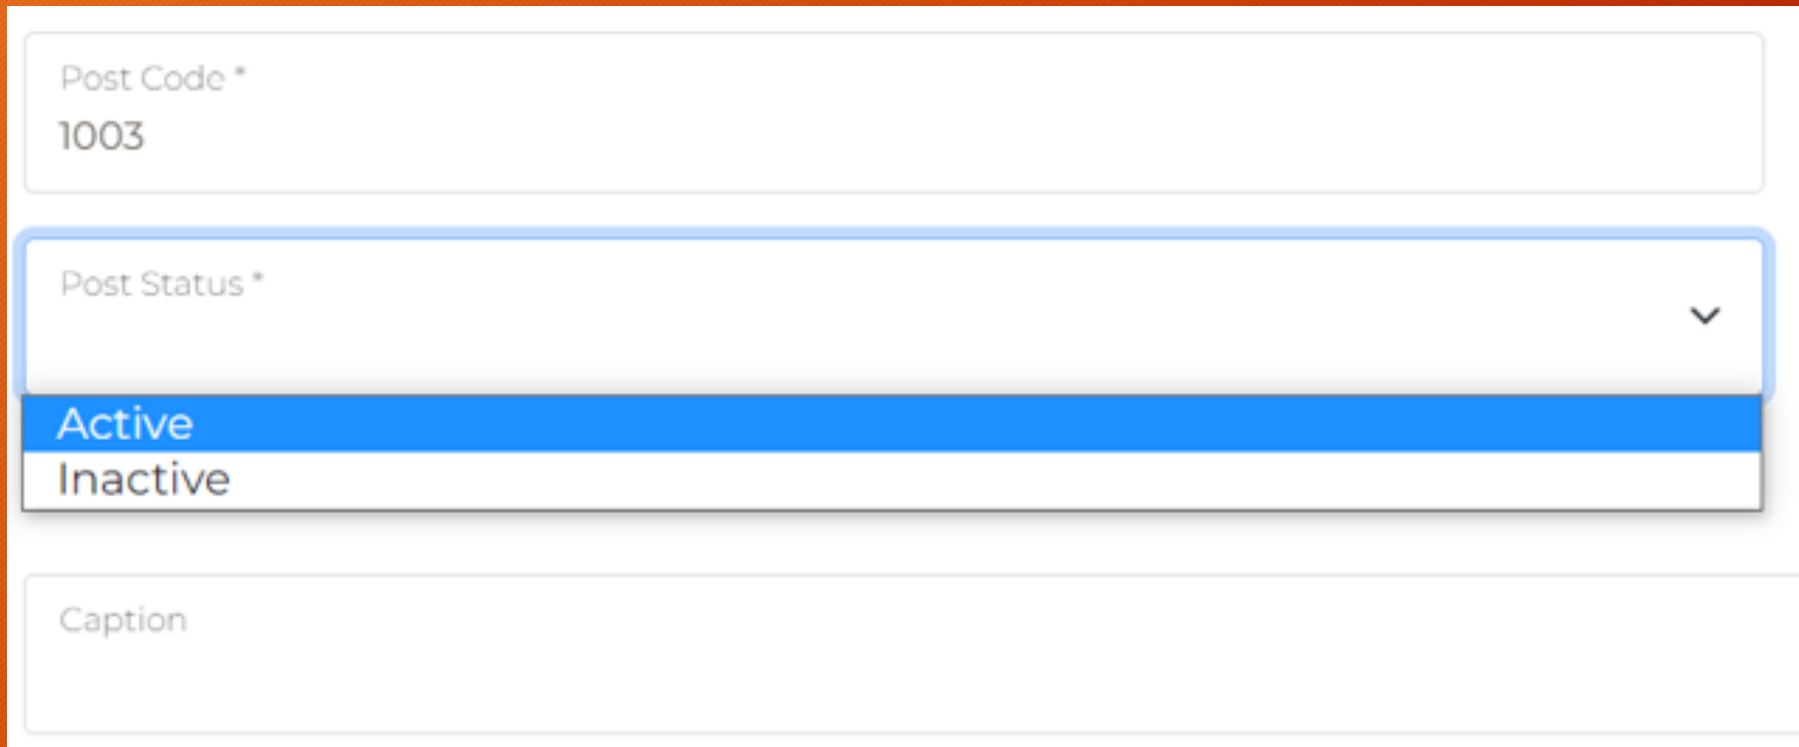

Add Post

- No need to edit Post Code. It will generate automatically.

<div>Page Title *</div> <div>Home</div> <div>▼</div>	<div><input type="checkbox"/></div>
<div>Post Type *</div> <div>Slider</div> <div>▼</div>	
<div>Post Code *</div> <div>1003</div>	
<div>Post Status *</div> <div></div> <div>▼</div>	<div>Choose File</div> <div>No file chosen</div>

Add Post

- Select Post Status as “Active”. If “Inactive” is selected, that content will not be visible

The screenshot shows a form titled "Add Post" with three input fields. The first field, "Post Code *", contains the value "1003". The second field, "Post Status *", is a dropdown menu that is currently open, showing two options: "Active" (which is highlighted in blue) and "Inactive". The third field, "Caption", is empty. The form is set against a dark orange background.

Post Code *
